*\*price exclude tax and service charge*

*The Department of Public Health advises that eating raw or under cooked beef, poultry, eggs, fish, lamb, pork or shellfish poses a health risk to everyone, but especially the elderly, young children under four, pregnant women, and other highly susceptible individuals with compromised immune systems. Thorough cooking of such animal foods reduces the risk of illness. Please notify your server if you have any food allergies or require special food preparation; we will make every attempt to accommodate your needs.*
