Craving relaxation and freedom? Some hotels take these needs to the next level, offering opportunities for a completely unrestricted stay. Whether it's an open-air bath or the chance to display your birthday suit to onlookers from your hotel-room window, these seven first-rate properties let guests channel their exhibitionist side.

Ventana Big Sur, California

Embracing its legendary natural setting, Ventana Big Sur focuses on relaxation and balance wrapped in a beautiful rustic cabin. Take in the leafy surroundings in the clothing-optional Mountain Pool for an uninhibited dip to fully unwind. ventanabigsur.com

Photo: Standard Hotels

The Standard High Line, New York City

Known for its spectacular river and High Line views, the Standard Hotel is shaking up New York's Meatpacking District with its encouraged open-curtain policy in their windowed rooms and scandalous rendezvous app *One: Night*, for spontaneous same-night booking. standardhotels.com
